

## God of wisdom, God of peace

Tune: For the beauty of the earth, *Hymnal: A Worship Book*, No. 89.

God of wisdom, God of peace,  
God, who makes all wars to cease.  
Wise are those who know your ways,  
foolish those who waste their days.  
Come, says Wisdom, join my feast,  
welcoming the last and least.

God of darkness, God of light,  
God, dividing wrong from right.  
Teach us to discern your will,  
in the storm and in the still.  
Come, says Wisdom, join my feast,  
welcoming the last and least.

God of mercy, God of grace,  
God revealed in human face.  
In our common life we find  
wisdom for all humankind.  
Come, says Wisdom, join my feast,  
welcoming the last and least.

God of wisdom, God of peace,  
God, who makes our love increase,  
Love our neighbor, friend, and foe,  
then God's wisdom we will know.  
Come, says Wisdom, join my feast,  
welcoming the last and least.
