1. Cut fabrics to size according to instructions or whatever size fits your worship space.

2. Sew main colors together with 1/2" seams. Press seams to the darkest fabric and top stitch a presser foot width from seam

3. Side and bottom hems. Finished hems are 1/2"

Fold over the raw edge 1/2" and press.

Fold over again 1/2", press, and topstitch 3/8" from finished edge.

4. Rod pocket. Finished pocket is 2"

Fold over the raw edge 1/2" and press

Fold over again 1" and press

Fold over again to create the 2" pocket, press, and topstitch 3/8" from finished edge.

5. Add the landscape elements using different fabrics. These can be glued on, raw-edge appliqued, or use double-sided interfacing. The banners in the photos were completed using raw-edge applique technique and free-form top-stitching was used to provide more visual interest. Be creative!
